Dear Sirs:

In response to the office of legal instruments examiner action letter dated 12/14/2004 and also the earlier legal instruments examiner action letter dated 07/22/2004 regarding the present applicant's Amendment A response dated 07/28/2004 (currently with USPTO status of non-responsive) to the 1st Office Action of 02/10/2004, which 1st office action response was judged by the patent examiner non-responsive, the

legal instruments examiner in two separate office actions collectively requested:

- 1). a full claims history,
- 2). patent status placed in '(status):' placed after each claim number for every claim,
- 3). a US \$176.00 payment for additional claims,
- 4). a 'clean-text' substitute specification filed prior to patent abandonment to retain the early filing date.
